OMAHA, Neb., Dec. 16, 2021 (GLOBE NEWSWIRE) -- [Travelex Insurance Services](#), a leading provider of travel insurance, has recently been recognized with several premier awards from leaders and professionals across the travel industry.

Travel Weekly named Travelex a Silver Magellan Award winner in the Online Travel Services category for their customer website. Magellan Awards represent the best in the travel industry across the U.S. and around the world - recognizing resilience, ingenuity, and a path forward. As the COVID-19 pandemic forced Americans to stay at home, work from home and shop from home, more consumers than ever surged online to purchase everything they needed. "There was no better time to make travel insurance easier for our customers," explains Shannon Lofdahl, President & CEO of Travelex Insurance.

Travelex was also the winner for two prestigious Travvy Awards, voted by travel advisors. A Silver Award was given for Best Travel Insurance Provider in Customer Service and a Bronze Award for Best Travel Insurance Provider Overall. Travvy awards recognize the highest standards of excellence in the travel industry by honoring travel companies, travel products, travel agencies, and destinations for their outstanding achievements. Those awarded are known for being game-changers and innovators of travel.

"This was a transformational year for our industry and especially Travelex," says Lofdahl. "It's an honor to be selected by those who know us best - travel leaders, travel advisors and their clients.
