This benefit is subject to the Security Evacuation Benefit Maximum Covered Amount per **Insured** shown in the **Schedule**. The **Assistance Provider** must make all arrangements and must authorize all expenses in advance of any benefit being payable. **We** are not responsible for the availability of **Transport** services. In such case, the person to whom he or she has assigned the interest in this **Policy** may have the right to change the beneficiary. Consent to a change by a prior beneficiary is not needed. Any beneficiary designation must be in writing on a form acceptable to **Us**.

In such a case, binding arbitration does not apply. This provision bars the institution of a lawsuit by the **Insured**.

- K. **SUBROGATION:** **We** have the right to recover from any third party all payments that **We** have made to the **Insured** or on behalf of the **Insured's Spouse** or **Domestic Partner**, child, heirs, guardians or executors or will be obligated to pay in the future to the **Insured**, from any third party. If the **Insured** recovers from any third party, **We** will be reimbursed first from such recovery to the extent of **Our** payments to or on behalf of the **Insured**. The **Insured** agrees to assist **Us** in preserving its rights against any third party, including but not limited to, signing subrogation forms supplied by **Us**. If **We** seek to recover any amount paid by **Us**, **We** are entitled to recovery of those amounts before the **Insured** is entitled to share in any amount so recovered by **Us**.
- L. **VALUATION:** All premiums, limits, **Deductibles**, and other amounts under this **Policy** are expressed and payable in the currency of the United States unless otherwise stated. If judgment is rendered, settlement is denominated or another element of loss under this **Policy** is stated in a currency other than United States dollars, payment under this **Policy** shall be made in United States dollars at the rate of exchange on the date the final judgment is reached or the amount of the settlement is agreed upon.
- M. **HEADINGS:** The titles and headings to the various sections, subsections and endorsements of this **Policy**, are included solely for ease of reference and do not in any way limit, expand or otherwise affect the provisions or existence of such sections, subsections or endorsements.

**IMPORTANT NOTICE ABOUT THE POLICY OF INSURANCE
FOR WHICH YOU HAVE APPLIED
THIS DOCUMENT AFFECTS YOUR LEGAL RIGHTS**

READ THE FOLLOWING INFORMATION CAREFULLY.

1. The policy for which you have applied includes a binding arbitration agreement.
2. The arbitration agreement requires that any disagreement related to this policy must be resolved by arbitration and not in a court of law.
3. The results of the arbitration are final and binding on you and the insurance company.
4. In an arbitration, an arbitrator, who is an independent, neutral party, gives a decision after hearing the positions of the parties.
5. When you accept this insurance policy you agree to resolve any disagreement related to the policy by binding arbitration instead of a trial in court including a trial by jury.
6. Arbitration takes the place of resolving disputes by a judge and jury and the decision of the arbitrator cannot be reviewed in court by a judge and jury.

ACKNOWLEDGEMENT OF ARBITRATION AGREEMENT

I have read this statement. I understand that I am voluntarily surrendering my right to have any disagreement between the insurance company and myself resolved in court. This means I am waiving my right to a trial by jury.

I understand that upon receipt of the policy I should read the arbitration clause contained in the policy and that I have the right to reject this policy within three (3) days of the date of delivery if I do not want to accept the requirement for arbitration.

I understand that this same type of insurance may be available through an insurance company that does not require that policy related disagreements be resolved by binding arbitration.

We Take Important Steps to Protect the Nonpublic Personal Information We Collect About You

Dear Customer:

rev. January 2020

We care about your privacy. That is why we believe in your right to know what nonpublic personal information (“NPI”) we collect about you and what we do with that information. This Privacy Notice describes the NPI we collect about you and how we share and protect that information.

Overview	UNDERSTANDING HOW WE USE YOUR PERSONAL INFORMATION
Why are you receiving this Notice?	Financial institutions, which include the Company, choose how they share your NPI. Federal and state law gives consumers the right to limit some but not all sharing of that information. Federal law also requires us to tell you how we collect, share and safeguard your NPI. You are receiving this Privacy Notice because our records show either that you are a customer who is obtaining or has obtained insurance coverage or non-insurance products or services.
What types of Information do we collect?	The types of NPI we collect depend on the product or service you have with us. When your relationship with us ends, we may continue to share information about you as described in this Privacy Notice.
What do we do with the NPI we collect?	We share your NPI in the course of supporting your insurance coverage or non-insurance products or services, as authorized by law, or with your consent. This includes sharing, as permitted by law, your NPI with affiliated parties and nonaffiliated third parties, as applicable, in the course of supporting your insurance coverage or non-insurance products. These affiliates and nonaffiliated third parties include: • Financial service providers, such as banks and other insurance companies; • Non-financial companies, such as medical providers and nonaffiliated service providers that perform marketing services on our behalf; and • Others, such as consumer reporting agencies and insurance information sharing bureaus.
